If your answer is yes, then you don't want to miss the opportunity for your dog to be one of the stars of RUFF Rescue of Central Florida's 2014 Dog Calendar!

100% of the proceeds from our 2014 calendar will benefit the dogs in our care - dogs we rescue from Florida kill shelters. Your dog's photo in our calendar isn't just a wonderful opportunity to showcase your furry family member, it's a great way for you to help save the lives of dogs in our community.

## Dogs of the Month

Three photos will be featured each month. Prices are: \$100.00 for main photo (minimum size 5 x 7); \$50.00 for smaller photos (approximate size 3.5 x 4.5). Your dog's name will be printed on their photo. Price includes one copy of our 2014 calendar.

## Photo Date Block

Your dog's photo can be included on their special day such as their birth date or the day they joined your family, or in a non-dated box in a special month. The cost is just \$10.00 and includes their name. Are you a multi-dog family? Include them, too! Each additional photo is just \$5.00 each. Date blocks are approximately 1.5 x 1.25 inches.

## Who We Are

The partners of RUFF Rescue have been working and volunteering in the animal rescue field for over twelve years. We have collectively fostered and found forever homes for over 1,200 dogs, from motherless newborns to seniors.

While we enjoyed working with other animal rescue organizations, in 2011 we felt it was time to venture out on our own and put all our energy into saving as many dogs from kill shelters as possible, and finding them the loving, forever homes they deserve. We want these dogs to have a voice, someone fighting to save their lives and give them a chance to be loved. We want to work towards one day living in a no-kill community, where an adoptable dog's life isn't ended simply because of space limitations.

We rescue dogs from Florida kill facilities, and do not turn away any dog because of age, breed, size, or medical condition.

## Mission Statement

RUFF Rescue of Central Florida, Inc. is dedicated to saving the lives of homeless and abandoned dogs in Florida's kill shelters; to provide them with proper shelter, food, veterinary care, and love; find them appropriate forever homes through adoption; maintain a no-kill policy; educate the public on the humane treatment of animals, and the importance of spaying and neutering companion animals to help reduce pet overpopulation.
